SUBJECT: CFE FLANK ENTITLEMENTS: CROSS-GROUP STATIONING

REF: STATE 28280

(SBU) We provided reftel points to MFA Arms Control Department Head Serhan Yigit on March 7, explaining our efforts to achieve a common NATO position on CFE transfers and cross-group stationing in order to respond to likely Russian questions. Yigit undertook to discuss our approach with the MFA's NATO office and with senior MFA officials in preparation for the March 13 HLTF Deputies discussion.
